

Curriculum Vitae

James W. Pritchett, MD

bonerecon@aol.com

Office:

601 Broadway Suite 600
Seattle, WA 98122

206 386 6171

Education:

University of Washington
University of Washington
Phoenix Orthopedic Residency

B.S.
M.D.

Medical Societies:

Diplomate American Board of Orthopedic

Surgery (expires 12 31 2036)

Diplomate National Board of Medical
Examiners

American College of Surgeons- Life
Member

University of Washington Alumni
Association

American Academy of Orthopaedic
Surgeons

American Association of Orthopaedic
Surgeons

Association of Bone and Joint Surgeons

American College of Sports Medicine*

University of Washington Medical
Alumni Association

Personalized Arthroplasty Society

King County Medical Society

Fellow, American Academy of Pediatrics*

International Hip Resurfacing Group

Clinical Work Experience:

1985 – 1988
Clinical Instructor,
Department of Orthopaedics,
University of Washington,
School of Medicine

1988 – 1993
Clinical Assistant Professor,
Department of Orthopaedics,
University of Washington
School of Medicine

1993 – 2025
Clinical Associate Professor,
Department of Orthopaedics,
University of Washington,

National Responsibilities

Host; Japanese Orthopaedic Association,
Traveling Fellowship, 1993

President, Association of Bone and Joint
Surgeons
2004-2005

1st Vice President, Association of Bone and
Joint Surgeons. 2003-2004

2nd Vice President Association of Bone and
Joint Surgeons 2002-2003

Executive Committee, Orthopedic Section
American Academy of Pediatrics
1988 – 1991

Board of Trustees, Clinical Orthopaedics
and Related Research 1997 –2000, 2003-
2006

Chief, Orthopedic Surgery Providence
Medical Center 1993-1997

Chief, Orthopedic Surgery
Swedish Medical Center 2009-2015

Medical Staff Executive Committee
Swedish Medical Center 2015-2017

Physicians Recognition Award: Swedish Medical
Center- Outstanding Contribution to the Underserved
2004

Puget Sound Best Physicians 2004

Seattle Magazine Top Doctors 14 times

Seattle Met Best Doctors 2015, 2018, 2023, 2024

Honor Your Caregiver Recognition Award 2016,
2017, 2018, 2020 Swedish Medical Center

Phi Lambda Upsilon

Total Articular Replacement Arthroplasty of the
Hip (Surface Replacement) 1982

Midas Rex Psychomotor Institute 1983

AO/ASIF Spine Course 1985

Total Shoulder Replacement-Charles Neer 1989

Certifications

Joint Implant Surgery and Research Foundation
Postgraduate Course 1993

Minimally Invasive Total Knee Replacement 2005

Conserve Plus Hip Resurfacing 2001

Birmingham Hip Resurfacing 2005

Reverse Ball and Socket Shoulder Replacement 2003

MAKOPLASTY ROBOTIC KNEE 2010, 2020

MAKOPLASTY ROBOTIC HIP 2011, 2020

PRINCIPAL INVESTIGATOR

Bone Morphogenic Protein (OP-1)
WIRB 3028800

Bone Morphogenic Putty (BMP-2)
WIRB 3029100

Oral Anticoagulant Factor IX Inhibitor
Swedish Research Center Protocol L8518

Benaroya Research Institute #4020018

NIH Grant 1R43AR054997-01A1. Polyurethane
As Joint Replacement Load Bearing Surface

Polyethylene, Metal and Ceramic Hip Resurfacing
(Swedish IRB 5190S-11)

HUMAN SUBJECT RESEARCH

Collaborative Institutional Training Initiative (CITI
Program) University of Miami 2006-2021

Ethics, regulations, informed consent, methodologies
Records based research, FDA regulations, Genetics
Protected Populations, HIPPA, Conflicts of Interest

Institutional Review Board: protocol design, funding
Source disclosure, human subject's protection, safety
Disclosure of research purpose, privacy, data storage

Femoral Bone Loss Following Hip Replacement. Puget Sound Chapter Western Orthopedic Association. June 10, 1994. Stevenson, Washington.

Single Bone Straight Line Graphs for the Lower Extremity. North Pacific Orthopaedic Society, September 17, 1993, Stevenson, Washington.

VIP Arthritis Panel. New Developments in Joint Replacement. Arthritis Foundation. KTZZ November 16, 1990. Seattle, Washington.

Degenerative Scoliosis. Puget Sound Chapter, Western Orthopaedic Association, June 24, 1989, Blaine, Washington.

Joint Replacement Pearls and Pitfalls. Kiwanis Club invited speaker. October 25, 1989. Kirkland, Washington.

Joint Replacement Pearls and Pitfalls. Kiwanis Club invited speaker. June 20, 1989. Redmond, Washington.

Developments and Complications in Joint Replacement Surgery. Senior Connection (television) Hosted by John Cannon. May 3, 1989 Renton, Washington.

Growth and Growth Prediction in the Upper Extremity. Arizona Chapter, Western Orthopaedic Association, April 23, 1988, Phoenix, Arizona.

The Limits of Locked Intramedullary Tibial Nailing. Puget Sound Chapter, Western Orthopaedic Association, June 20th, 1987, Lake Chelan, Washington.

Intramedullary Nailing for Unstable Tibial Shaft Fractures. Arizona Chapter, Western Orthopaedic Association, April 24, 1986, Phoenix, Arizona.

Fabellae in Osteoarthritis of the Knee. Sixteenth Annual Arizona Children's Hospital Spring Symposium, April 24, 1984 Phoenix, Arizona.

Supracondylar Femur Fractures. Musculoskeletal Diseases in the Aged, January 26, 1984. Scottsdale, Arizona

Intramedullary Fixation of the Humerus. Ninth Annual Maricopa Medical Center Fall Lectureship (Arizona Chapter, Western Orthopaedic Association), November 19, 1983.

Supracondylar Fractures of the Femur. Fifteenth Annual Arizona Children's Hospital Spring Symposium, March 25, 1983, Tempe, Arizona.

Natural History of Dislocated Hips in the Totally Involved Cerebral Palsy Patient. Fourteenth Annual Arizona Children's Hospital Spring Symposium, March 26, 1982, Tempe, Arizona.

Long Term Analysis of Hemiarthroplasty. Eighth Annual Maricopa County Hospital Lectureship (Arizona Chapter, Western Orthopaedic Association Meeting), October 24, 1981, Phoenix Arizona.

Patent

United States Patent Application (2019) 15/435,702 System for Implanting a Prosthesis (Resurfacing Impactor System)

6 patents assigned to developing companies (short segment spinal fixation, acetabular hip shell and liner for replacement and resurfacing, total knee prosthesis, small bone IM rod, spinal rod instrumentation, bicruciate knee instrumentation system)

Research in Progress

Cross-linked Polyethylene for Hip Resurfacing (implant and instrument design). New resurfacing design released in 2025.

Increased Clearance (Mismatch) Polyethylene Bearings in Revision Hip Replacement and Resurfacing

Metal Free Joint Replacement

Wear and Performance of Tripolar Hip Replacement

Antibiotic Polyurethane Bearings Surfaces to Treat Prosthetic Infection

Doxycycline to Treat Seromas
